Morning Round-Up

The morning round-up will start from the camp ground fence each morning at 6:00 a. m. and will include all of the grounds and buildings west of the camp ground fence.

All persons remaining in this portion of the grounds over night must provide themselves with tickets for the following day.

Tickets may be purchased at any time during the day or evening at the treasurer's office in the Administration Building, or from ticket booths at camp ground entrances.

No Return Checks

No pass-out or return checks will be issued for the outside gates.

Persons leaving the grounds during the day will be admitted free after 9:00 p. m., by presenting a ticket for the following day at the pass gate. The ticket will be taken up the following morning when the grounds are policed.

Camping

A most cordial invitation is extended to everyone to avail themselves of the splendid facilities offered for camping. The grounds used for this purpose are gently rolling, covered with a growth of native timber, well set to blue grass, electric lighted and provided with city water service, in all

making an ideal camping ground. The camp grounds have been platted, the streets numbered and the avenues lettered. A Campers' Headquarters is maintained where all campers are requested to register, and a directory of those located in the camp grounds is kept giving the name and street or avenue on which tent is located.

No charge is made for the use of the camping grounds. Parties may bring their own camping outfits.

All campers will be required to occupy the regular camp grounds which are fenced off from the main portion of the grounds. Positively no camping will be permitted west of the camp ground fence.

Regular admission gates have been provided, one on Grand Avenue near the Tent and Awning Company Warehouses, one on street leading to camp grounds south of old Poultry Building, and on street leading into exhibitor's camp ground east of the Swine Barn.

Campers will be required to pay the regular admission fees when entering the main portion of the grounds through these gates.

Campers' return checks will be issued by the gatekeepers at the camp ground entrances to campers who wish to return to their tents for meals or rest during the day. These checks will admit campers to the main part of the fair grounds, at camp ground entrances only on the day issued. Any person attempting to abuse the camp ground return check privilege will be required to pay the regular admission fee, and will subject themselves to expulsion from the camp grounds.

No pass-out or return checks will be issued for the main outside gates. Campers who desire to visit the City during the day may leave the camp grounds through the camp ground exit gate. Pass-out return checks will be issued to campers so they may return through the camp ground exit gate. The road leading to this gate runs south to Dean Avenue from a point east of the Farm Bureau Headquarters.

Public Bath House

For the convenience of the campers, a modern public bath house with hot and cold running water has been provided. It is located at the intersection of "A" Avenue and Fifth Street, across the street from the Farm Bureau

camp headquarters. Competent attendants will be in charge. Soap and towels furnished. A reasonable fee will be charged to cover operating expense.

Bureau of Information

A bureau of information will be maintained by the management at the secretary's office in the Administration Building.

The Des Moines Chamber of Commerce will maintain a bureau of information in a booth on the south side of Grand Avenue between the Varied Industries Building and the Administration Building. Any information pertaining to the city, conditions of roads, etc., will be cheerfully furnished State Fair Visitors.

Lost and Found

The Bureau of Information will also handle lost and found articles and inquiries.

Day Nursery

A Day Nursery will be maintained in the southwest wing of the Women and Children's Building, which will be open all day and up until 11:30 at night. Practical nurses will be in attendance to take care of and entertain the children. Mothers will be required to furnish food for their children. A reasonable fee will be charged for this service.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

A room is set aside for daily demonstrations in domestic science. There is also a large auditorium in which programs of interest to women are given daily.

The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the livestock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press. Representatives of the press at large, who may be assigned to or visit the Fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

Emergency Hospital

An emergency hospital will be maintained in a building east of the Women and Children's Building. A skilled physician and a trained nurse will be in charge day and night. The management provides the hospital building and furnishings, but each patient is expected to pay a reasonable fee for services rendered.

Check Room

Check rooms in charge of reliable persons will be located at the entrance of the auto parking grounds near the Old Mill. Packages may be checked at a nominal fee.

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express shipments for delivery to the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office.

Railway Offices

All the leading trunk lines will have a consolidated office in a booth east of the north entrance to the Stock Pavilion for the transaction of business and furnishing information relative to freight and passenger rates, departure of trains, etc.

Telegraph Offices

A branch station of the Western Union Telegraph Company will be maintained in the Administration Building.

Telephones

A complete telephone system is maintained on the grounds by the Northwestern Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents for down town connections is charged. The central office is located in the southeast corner room of the Educational Building and Grandstand.

Administration Offices

All the officers and superintendents of the Fair will have offices in the Administration Building. A cordial invitation is extended to everyone to make the building their headquarters while at the Fair.

"STATE FAIR REVUE OF 1947"

The music for this production is by the State Fair Revue Orchestra under the direction of Julius Shankman.

The Iowa State Fair Board is pleased to present to its patrons the "State Fair Revue of 1947". We believe this is the best show ever presented an outdoor audience—a Barnes-Carruthers production.

Ensemble Numbers

"TALLY HO"—Off to Merry England for the Opening Ensemble. Here, to the brisk English Hunting Tunes, the entire Ballet, dressed in dashing red-flecked riding costumes, depict, in a rollicking spirit, A Ride to the Hounds. The fast moving action, to a galloping tempo, includes Jumping the Hurdles, a really clever novelty. A stirring MALE CHORUS and GLORIA HIGHT, Premier Danseuse, all dressed in colorful hunting garb, adds a rousing spirit to the opening of the show and the solo part of the Prima Donna tells the story of the plot.

"TREASURE ISLAND"—A Pirate Fantasy. And now, off to the South Seas—on a fantastic hunt of TREASURE ISLAND. Treasure Island it surely is—where a group of lusty Pirates not only give forth with stirring songs from the glorious score of the "Pirates of Pensance" but discover of all things a fabulous Princess and a retinue of glorious girls all bedecked in gorgeous costumes. Fanciful dance routines to lilting musical refrains grace this number. Then a comedy sensation, especially adapted to the South Seas setting and buccaneer atmosphere is brought forth. The sensational MARTELLS-MIGNON ADAGIO FOURSOME, presenting one of the most thrilling performances ever offered on any stage, adds charm to this number.

"GEMS FROM CARMEN"—A complete change of motif and style typifies the next offering. It is one of the most beautiful numbers ever offered. It is built around the entrancing music of the French composer, Bizet—out of the opera "Carmen" but with a completely modernized orchestration and popular tempo. The entire ensemble, Prima Donna and Gloria Hight, the Ballerina, the Grand Opera Quartette and Singing Chorus will present a sensational abbreviated Libretto, composed of the Gems from Carmen. The costuming, in the Spanish style, will be brilliant and pretentious. It is here that the vividly colored costumes will be changed—in darkness—to glowing fluorescent hues that will positively enthrall the audience.

"AMERICA"—The entire cast will participate in this spectacular Finale. The scene will be aglow with vividly colored costumes, their beauty enhanced by the latest light effects, clever up-to-date dance routines and stirring singing of popular American airs will be the order. Closing with a smashing climax where we feature the Sensation of Sensations, MISS VICTORY, who will be shot from the mouth of a huge cannon high in the air, a distance of over three hundred feet across the race track stage while the entire company is performing in the closing action of the show.

In addition to the above, there will be 10 interlude novelty acts.

Grand Finale

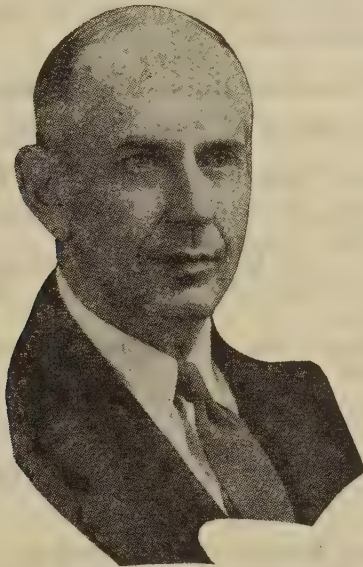

Magnificent display of Thearle-Duffield fireworks and "Festival of Light".

Auditorium Women and Children's Building

8:00—"Pigtails". A bright and breezy comedy in three acts.

Dance Pavilion

9:00 to 1:00—Vern Wellington and His Orchestra. Admission, 50 cents per person.

"STATE FAIR REVUE OF 1947"

The music for this production is by the State Fair Revue Orchestra under the direction of Julius Shankman.

The Iowa State Fair Board is pleased to present to its patrons the "State Fair Revue of 1947". We believe this is the best show ever presented an outdoor audience—a Barnes-Carruthers production.

Ensemble Numbers

"TALLY HO"—Off to Merry England for the Opening Ensemble. Here, to the brisk English Hunting Tunes, the entire Ballet, dressed in dashing red-flecked riding costumes, depict, in a rollicking spirit, A Ride to the Hounds. The fast moving action, to a galloping tempo, includes Jumping the Hurdles, a really clever novelty. A stirring MALE CHORUS and GLORIA HIGHT, Premier Danseuse, all dressed in colorful hunting garb, adds a rousing spirit to the opening of the show and the solo part of the Prima Donna tells the story of the plot.

"TREASURE ISLAND"—A Pirate Fantasy. And now, off to the South Seas—on a fantastic hunt of TREASURE ISLAND. Treasure Island it surely is—where a group of lusty Pirates not only give forth with stirring songs from the glorious score of the "Pirates of Pensance" but discover of all things a fabulous Princess and a retinue of glorious girls all bedecked in gorgeous costumes. Fanciful dance routines to lilting musical refrains grace this number. Then a comedy sensation, especially adapted to the South Seas setting and buccaneer atmosphere is brought forth. The sensational MARTELLS-MIGNON ADAGIO FOURSOME, presenting one of the most thrilling performances ever offered on any stage, adds charm to this number.

"GEMS FROM CARMEN"—A complete change of motif and style typifies the next offering. It is one of the most beautiful numbers ever offered. It is built around the entrancing music of the French composer, Bizet—out of the opera "Carmen" but with a completely modernized orchestration and popular tempo. The entire ensemble, Prima Donna and Gloria Hight, the Ballerina, the Grand Opera Quartette and Singing Chorus will present a sensational abbreviated Libretto, composed of the Gems from Carmen. The costuming, in the Spanish style, will be brilliant and pretentious. It is here that the vividly colored costumes will be changed—in darkness—to glowing fluorescent hues that will positively enthrall the audience.

"AMERICA"—The entire cast will participate in this spectacular Finale. The scene will be aglow with vividly colored costumes, their beauty enhanced by the latest light effects, clever up-to-date dance routines and stirring singing of popular American airs will be the order. Closing with a smashing climax where we feature the Sensation of Sensations, MISS VICTORY, who will be shot from the mouth of a huge cannon high in the air, a distance of over three hundred feet across the

WALLACES' FARMER Iowa Homestead

Good Farming; Clear Thinking; Right Living

extends to state fair visitors a cordial invitation to visit its headquarters in the east end of Varied Industries Building and to visit its large and attractive plant at 19th Street and Grand Avenue.

We like to get better acquainted with our farm friends and to confer with them about matters of mutual interest. We like also to meet manufacturers and their representatives on the occasion of their visit to the state fair.

Our headquarters in Varied Industries Building are maintained from 8:00 A. M. to 6:00 P. M. Our plant at 19th Street and Grand Avenue, where nearly 250 people are employed, is open for inspection by visitors from 9:00 A. M. to 4:00 P. M. It is one of the largest and most complete printing establishments in the West, where you can see the largest farm paper printing press in the world. It is a real sight.
